### 导演阐述：Director Statement:

这个故事基于八九十年代发生在中国西部某小城的真实事件改编而成。由于对犯罪题材着迷，本人在几年前开始关注各种真实案件，偶然间被这起案件所吸引。这起案件始于八十年代末，在长达 14 年的时间里，先后有多名年轻女性惨遭同一个凶犯杀害，但凶手至今逍遥法外。一位当年参与办案的老警察若干年后通过互联网发表了一封致凶犯的公开信，他在信中表现出的悲愤和不甘深深吸引着我，于是激发了我对于这起案件的想像和创作这个故事的冲动。

The story was made from the real series murders happened in the west part of China in 1980s and 1990s. Due to my interest in crime subjects, I began to pay attention to kinds of real murder cases since several years ago. I was appealed to this case by chance. The murder firstly happened in the late 1980s. Several young women were killed by the same murderer in 14 years, but the murderer was not found. An old policeman, who was involved in the survey at that time, published a public letter on the internet to the murderer after a few years. The sadness and indignation he expressed in his letter attracted me very deeply, I was inspired by the letter and true story background, so I decided to create the story.
