#### **导演阐述 : Director Statement:**

这个故事的灵感来源于 08 年我生活中经历的几个真实事件。那一年我大学毕业，亲眼目睹了邻居的自杀，拥有美满家庭的发小让我协助他甩掉小三，情场老手的哥们给我看他女朋友和其他男人 3P 的视频。这几件事情都超出了我对生活，对两性关系的理解范围。我们渴望稳定，但却无法抵挡欲望对自我底线的冲击。常说时间会改变一切，但是我认为所谓的时间不过是欲望累积的过程。这个故事就是在展现 4 个主要人物在欲望和自我底线之间的博弈过程，而最终的结果超出了他们本来的想象。

The spirit of this story is from some real events happened to me in 2008. I graduated in that year, witnessing the suicide of my neighbour, assisting my friend to dump his mistress, and seeing the sex video of the girlfriend of my best friend. These three things exceed my understanding of life and sexual relations. We want the peaceful life, but cannot resist the desire crossing the moral line. People said time will change everything, but I think it is just a procedure to heap up desire. This story intends to reveal this procedure of struggle between desire and morality among four characters, while the final result is beyond their imagination.
