故事大纲：Synopsis:

一个有着神秘过去，身手不凡的大叔，回归山林。为拯救一位善良女孩，本想在风暴之外的他，不得不再次出山，做一次孤胆英雄。

A man who has stunning skills but is disliked by people has to stand up as a lonely hero again in order to save a girl, though he wanted to stay away from the gangland forever.

导演阐述：Director Statement:

《冰原》的故事创作灵感来自海明威的小说《老人与海》，正如海明威的那句话，“人可以被毁灭，但不能被打败！”这就是《冰原》所要表达的。《冰原》的故事类型引用了西部片的经典类型，也充分考虑到了故事的通俗性和娱乐性，只不过这次将故事放到了中国东北的冰天雪地，相信会拍出不一样的感觉。可供借鉴的影片类型有 2011 年可恩兄弟的《大地惊雷》。

The inspiration of creating “The Ice” has come from Hemingway’ s masterpiece- The Old Man and the Sea. Just as Hemingway put it, “A man can be destroyed but not defeated!” This is just what the Ice

wants to express. The story has adopted the genre of the classic Western movies, as well as has taken full consideration of the popularity and entertainment of the story. However, I' ve translocated the story to the ice field of Northeast China. I' m of conviction that I shall present a different feeling for you. The Coen Brothers' True Grit in 2011 can be referred to by my film.
