导演阐述: Director Statement

每个女人一生都在爱情(家庭)与事业之间追求平衡, 只有将两者调整到最适合自己的百分比才能得到真正的快乐。方雨洁与何小夏看似两个女孩, 何尝不是同一个女孩? 作为一个曾经北漂而且可能再北漂的台北女生, 台北和北京都是我深深喜爱的城市。这个故事想借着两个女孩的交换住宿, 以轻松幽默的方式对比两岸文化差异及社会现象。当观众随着她们一同经历这场自我探索的旅程, 也能学习以新的角度去认识这两个对大家而言可能既陌生又熟悉的城市。唯有放下, 才能真正看见美好的人事物。

Every woman faces the challenge to find balance between love (family) and career, and the true happiness along the way. Two girls, Yu-Jie and Xiao-Xia, in the story, represent the two sides of a person. They represent different percentage of love (family) and career you want in your life. As a local Taipei girl who have lived and worked in Beijing, I truly love both cities and feel these two cities also represent two different sets of value. That's how I came up with the story. As the audiences follow the girls traveling through the new cities, they will experience two different interesting cultures and see how they rediscover themselves through the journey. At the end, they will find that there are always beautiful things everywhere, when viewed with one's heart and without prejudice.
